

CAREER PATHS

For Skilled Immigrants

Civil Electrical & Mechanical Engineering

- Are you a foreign trained professional interested in continuing your career in the Engineering field and need support?
- Do you need support with the licensure process, registering with EGBC?
- Do you need financial support to pay for the licensure and membership fees or skills upgrading courses?
- Have you received Permanent Residency within the last five (5) years, have not received EI, and have an intermediate level of English?

If you have answered yes to the above, we can help!

PROGRAM FEATURES

- Career counseling specific to goal occupation
- One-on-one job search support to obtain for your targeted occupation
- Funded skills training and upgrading
- Evaluation and assessment of foreign credentials
- Occupational Specific Language Training (OSLT)
- Networking with regulatory boards, associations and employers
