

# Migrant Workers Program

The Migrant Workers Program offers direct settlement and employment information and resources to migrant workers to understand their rights and help them integrate in the community.

## Who are we?

The Inter-Cultural Association (ICA) has been helping immigrants and refugees reach their goals since 1971.

## Services at a Glance:

- **One-on-One Help:** Help that meets the needs of each worker, employer and community agency. Contact us in-person, by email, phone, or online.
- **Social & Cultural Events:** Join us for learning experiences that will help you feel that you belong and help you integrate in the community.
- **Employment Standards Tools:** Get important information and resources to help you understand employment laws in Canada.

## Who benefits?

- Migrant workers on a Closed Work Permit
- Migrant Workers on Maintained Status
- Migrant Workers under an Open Work Permit for Vulnerable Workers
- Migrant workers' dependents (children, spouse)
- Employers of Closed Work Permit holders
